ESTATE/APARTMENT: WILLOW APARTMENTS

Dear Sir/Madam,

REF: ACCESS TO INSTALL FIBRE OPTIC CABLE TO THE APARTMENT /ESTATE

This form serves to request consent for Savanna Fibre Kenya Ltd to embark on fiber installation to the mentioned property. The aim is to provide Savanna Fibre internet service to the tenants. The approval further grants Savanna Fibre Kenya Ltd the right of entry to conduct network installation, maintenance, sales and marketing activities within the property. Savanna Fibre Kenya Ltd will install fiber network at its own full cost and liability. Savanna Fibre will observe the access protocol and maintain professional workmanship.

Security and Safety

- Our team will adhere to your security protocol within and outside your premises.
- Each Technician will be identified by their original Identity card (ID).
- The site will be barricaded with a caution tape and the technicians will be in full Personal Protective Equipment (PPE).
- A First Aid kit will also be on site.

The consent to install fibre optic cable does not denote exclusivity to Savanna Fibre Kenya Ltd.
